Concerns : Late replacement of a wrestler

Dear Colleagues,

The procedure for the late replacement of a wrestler registered for the London Olympic Games was specified by IOC and is different from what was previously in force. The procedure will be as follows :

Before the start of the daily technical meeting at 12:00 at latest on the day of the weigh in of a weight category, the replacement of a wrestler can only be carried out by the country of the wrestler concerned if the replacing wrestler is on the long registration list of the country and only in the same weight category.

This clearly means that if a country has no replacing wrestler, no other country can use this place which will be lost for FILA.

I ask you to ensure that this situation does not occur so as not to affect the smooth running of the wrestling tournaments.

I thank you for your collaboration.

Yours sincerely,

Raphaël Martinetti
FILA President
