TO ALL ORGANIZERS OF 2011 AND 2012 CHAMPIONSHIPS TO ALL BUREAU MEMBERS

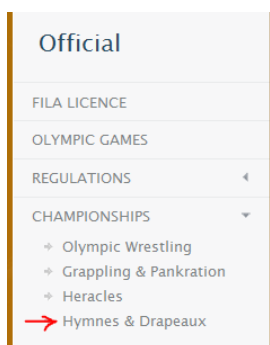

Subject: FILA Logos and anthems for the FILA Championships

Dear President and colleagues,

Your Federation has had the privilege to be selected for the organization of an official FILA championship: world championship, continental championship, world cup and Olympic Games qualifying tournament.

I would like to congratulate you for the tasks you have accepted and take this opportunity to point out an obligation that many organizers have neglected in the previous months:

- For all types of world and continental championships, the FILA logo must appear on posters and medals and the project of these two items must be approved by FILA;
- In the case of a continental championship, the logo of the Continental Council must appear and be approved by FILA;
- The national anthems, the FILA anthem and the flags are available on the FILA website as shown hereunder and you are kindly requested to use them in their short version.

I thank you for your collaboration.

Yours sincerely,

Raphaël Martinetti
FILA President

Corsier-sur-Vevey, 15 July 2011/cr
