Subject : Olympic Games World Qualifying Tournaments : registration requirement for all delegations via Athena

Dear President,

For the past year and on several occasions, we have sent you information about Athena, which must be used for the registration of your athletes for competitions within the time limit.

During the Continental Olympic Games qualifiers that have been organised to this day, serious problems have arisen : some delegations turned up to the Championships but had not registered their delegation in the Athena system previously.

This is why I am informing you for the last time that delegations which do not meet this requirement will not be allowed to take part in the European qualifiers of Zrenjanin, and in the 1st and 2nd World Qualifying Tournaments (Ulan Baatar and Istanbul).

The same will apply on the occasion of the World Cups, Cadet & Junior Continental and World Championships, Golden Grand Prix.

Indeed, I will not authorize teams which are not registered in Athena to participate. There will be no discussion, and I will not consider any exceptional demand.

I thank you for your attention to this matter.

Sincerely yours
