

# UNITED WORLD WRESTLING

TO ALL THE NATIONAL WRESTLING FEDERATIONS  
TO ALL THE BUREAU MEMBERS

**Subject: International Referees - Las Vegas (USA)**

Dear Mr. President,

As you already know the Senior World Championship in Las Vegas (USA) will be the first qualifying event for the next Olympic Games in Rio.

The referees will be also selected for the Games. Only the best of them will have the chance to participate in this big event.

You will find therefore attached the instructors, supervisors and referees' list for the Senior World Championship.

Some category I referees were also selected in order to be controlled during our major event of our calendar. Following to the requests of the Refereeing Commission Chief, other referees will be controlled during the next qualifying events.

I just want to underline that these referees are still not qualified for the Olympic Games in Rio. Changes can happened if some of them don't reach the level required for this kind of competition.

Please note that theoretical examinations will be organized for all officials (instructors, supervisors, referees).

We also want to remind you that the instructors and supervisors will be covered by United World Wrestling (flight ticket in economic class, accommodation, meals). All the flight booking need to be done with our Travel Agency, Beg Tours ([begtours@eunet.rs](mailto:begtours@eunet.rs)). The arrival date is Saturday, 5<sup>th</sup> of September and the departure day is scheduled the 13<sup>th</sup> of September. All the arrival and departure not on these dates won't be covered by United World Wrestling.

It is also important to remind you that all your selected referee(s) have to be registered via the Athena System. In this way the organizer will be able to book accommodation for them. United World Wrestling will take care of the entries and accommodation for the Instructors and Supervisors. We thank therefore in advance all the Instructors and Supervisors to book their flight and send a copy of the ticket to [trisan@unitedworldwrestling.org](mailto:trisan@unitedworldwrestling.org) before the 1<sup>st</sup> of August.

I also want to inform you that the Refereeing Body Regulations is being revised in order that all National Wrestling Federations will perfectly know the functioning of the refereeing.

In this document you will find all the necessary information regarding the referees. I would like to tell you that the PM Category is cancelled because it is not anymore mandatory for an organizer to provide PM Category referee during International Competition they organized.

Until the 1<sup>st</sup> of January 2017, the PM referees who want to become International referee can participate in a candidate course (Type I) without paying the registration fee.

I already wish you all the best for this Senior World Championship.

Sincerely Yours,

Michel Dussan  
Secretary General
