Subject: Ordered Parterre Position for Seniors

Dear Mr. President,

As you might know a meeting was organized in Poland during the 2015 U23 years Old European Championships.

During this meeting some modifications in the Wrestling Rules were adopted and it was also decided that the Ordered Parterre Position for Seniors will be completely removed after the Olympic Games in Rio.

You will find attached, for your information, the mentioned circular.

In compliance with this circular, I would like to inform you that the Ordered Parterre Position in the Senior category is removed and the new procedure will be the same as in the Youth Categories. This change comes into effect at the date of this circular.

I also take this opportunity to inform you that the complete Rules will be discussed and revised by the Technical Commission.

All modifications will be shared to you when it will be finalized.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Michel Dusson'.
